KSC's Codes of Conduct establish a clear set of guidelines for all coaches, players and parents/guardians. Its primary goal is to help ensure soccer is a rewarding, positive and enjoyable experience.

I will teach my players to play fairly and to respect the rules, officials, volunteers and all players.

I will ensure all players receive equal instruction, support and playing time.

I will not ridicule or yell at my players for making mistakes or for performing poorly.

I will remember that players play to have fun and must be encouraged to have confidence in themselves.

I will ensure equipment and facilities are safe and match the player's ages and abilities.

I will examine the playing surface and it's surroundings, insisting the field of play is safe and conducive for play. I will remove all debris and report all faults to the field conditions to the Kitchener Soccer Club.

I will remember participants need a coach they can respect. I will be generous with praise and set a good example.

I will work in conjunction with officials for the benefit of the game.

I will respect game officials (referees, linesman, convenors) and the decisions they make.

I will go over the 'Players Code of Conduct' as well as the 'Parents Code of Conduct' with the players and parents on my team.

I will maintain high standards of personal contact and fair play.

I will never be involved in any circumstance, which may be offensive or suggest sexual connotations.

I understand I am responsible for ensuring all players, bench personnel such as assistant coaches and managers, and my team's spectators do not interfere with the match.

I will not ridicule, show disrespect, or yell at any game official.

I will be on time and prepared for games and practices.

I will dress appropriately and wear the coach's shirt provided to me by the Club at all games and practices so that I present a professional image of the Club and can be easily identified.

I will make sure all athletes are dressed appropriately, sporting full Club uniform, as well as shin pads and appropriate footwear.
